Approval of Minutes –January Meeting

- **Motion by Margaret-Anne Crumlish to approve the January 2021 minutes. Motion seconded by Chris Smith and passed.**

Report of Special Committees

- Social Media/Website – Mayor Sprader reported Noah Letcher, freshman at Samford, will be assisting the town’s social media team as a volunteer.
- Fundraising – Art Show – Joelle Ward reported that the official dates for the Historic Mooresville Art Festival are May 7-8, 2022.
- Bicentennial Garden – No report
- Singing River Trail – No report

Report of Officers

- Roads – AT&T Report – Mayor Sprader reported that AT&T sent a contractor to measure power line heights in town. Current priority for AT&T is the Bibb Garrett Hwy 20 overpass project. Mayor Sprader will continue to reach out until formal report is attained by Town.
- Financial – Travis Hensley submitted the January 2021 financials.
- Floodplain – No report
- Post Office – Leann Barr reported that the post office’s back screen door is being repaired and may need to be replaced. Barr discussed the frequency of repairs to the screen door. Council agreed the screen door was not historical and a decision to remove both screen doors would need to take place before more funds were expended for repair in the future.
- Church – The yearly cleaning of the Brick Church and Tavern windows will take place March 17, 2021 by FISH Window Cleaning.
- Tavern – No report
- Grounds – Margaret-Anne reported that the North Street clearing has been completed. Contractor doing the refuge spraying to prevent regrowth of the clearing is waiting more information from the Refuge (This project is being managed and financed by town property owners).

Calendar –

External contacts – No report
