

TOWN OF MOORESVILLE
TERMS AND CONDITIONS OF COMMERCIAL PHOTOGRAPHY PERMIT

1. Applicant waives all claims against the Town of Mooresville (the “Town”), its officers, agents, volunteers, and employees, for loss or damage caused by, arising out of or in any way connected with the exercise of this permit, and the Applicant agrees to indemnify and hold harmless the Town, its officers, agents, volunteers, and employees from any and all claims, causes of action, penalties, losses, expenses (including attorney’s fees) and any other liability for injuries or damage to persons or property resulting from the commercial photography which was caused by the omissions or authorized actions of the Applicant’s officers, clients, volunteers, agents, or employees.
2. Applicant, its clients, and crew shall make no alteration to these buildings, or to any benches or public space.
3. Commercial photography shall take place between the hours of nine (9) a.m. till sunset. Any request to extend the hours must be made at the time of the application submittal.
4. Commercial photography can take place at any one of the three public structures in the Town: the Mooresville Brick Church & Bicentennial Garden, the Mooresville Post Office, and the Mooresville Stage Coach Tavern. The Commercial Photography Permit does not provide access to the interior of these buildings.
5. Applicant is responsible for obtaining the schedule for these locations of events, such as weddings, festivals, and the like. Applicant is responsible for ensuring that their activities do not interfere with these scheduled events. To avoid congestion and interruption of these events, commercial photography is not allowed at a location during such event. The License and Permit Department will provide a list of scheduled events upon request.
6. Applicant, its clients, and crew shall park only in the designated parking spaces on North Street located between High and Broad Street. Overflow parking is alongside Old Highway 20.
7. Applicant is required to bring the PayPal receipt confirmation of the Commercial Photography Permit and Business Privilege License to any shoot on the Town property. Applicant should expect to be asked to present the confirmation as proof of purchase.
8. Applicant is responsible for cleaning all debris and litter resulting from their photography shoot. The Applicant agrees that it shall reimburse the Town for the actual replacement or repair cost of any property that is damaged by the Applicant’s exercise of this Permit.
9. The Town may revoke this Permit at any time if the Town determines that any condition of the Permit has not been met or is being violated.
10. This Permit cannot be assigned.

11. Applicants who have obtained a Three-Month Permit or a Six-Month Permit shall provide to the License and Permit Department the dates and location for shoots that are not identified on the original application and shall do so at least five (5) working days before such shoot. It is the Applicant's responsibility to contact the License and Permit Department to provide this information.

12. The Applicant agrees to comply with all traffic regulations and other laws of the Town of Mooresville while acting pursuant to this Permit.

13. Due to multiple locations assessable to applicants, a Commercial Photography Permit does not grant sole rights to shoot on the Town property for any given date. Multiple Commercial Photography Permits may be sold for the same day. Applicants are asked to be courteous, mindful, and respectful of each other.

14. The Applicant understands that it must obtain a Business Privilege License from the Town of Mooresville in addition to this Permit and that the License must be applied for separately.
